PARTNER EXHIBITING PROSPECTUS - APPLICATION FOR PARTNER EXHIBIT SPACE

Please reserve exhibit space for our company at the Mid-Central States Orthopaedic Society's McQueen Memorial at Flint Oak Ranch. We understand that the application becomes a contract when signed by us and accepted by the Executive Director. We agree to abide by the conditions of the contract and regulations published on Application and by all conditions under which space at Flint Oak Ranch is leased to MCSOS. We accept responsibility for informing all our employees and agents of these conditions and agree that they will abide by them.

We understand that this application deadline is September 30, 2025, and that full payment of exhibit space is due by September 30, 2025. Space will be assigned as payment is received. We are aware that if MCSOS is not notified of our intent to attend by September 30, 2025, information may not be included in the Annual Meeting Official Program. Please contact MCSOS if after this date.

We understand the cancellation policy and the penalties for canceling our exhibit. We understand that if payment for exhibit space assigned is not received by the Executive Director by September 30, 2025 that the space can be reassigned. We understand that any product(s) we will be promoting through our exhibit that require approval by the Food and Drug Administration (FDA) must receive this approval before our company will be eligible to exhibit. By signing this application, we are signifying that FDA approval has been granted. We understand that our exhibit is designed for the display and demonstration of products and services relating to the practice and advancement of the art and science of medicine, and the professional education of the members of the MCSOS. To this end, the Executive Director may forbid installation or request removal or discontinuance of any exhibit or promotion, wholly or in part, that in her opinion is not keeping with the character and purpose of the MCSOS.

We agree to be responsible for our own property through insurance or self-insurance and shall hold harmless each of the other parties and for any and all damage caused by theft and those perils normally covered by a fire and extended coverage policy.

We understand the MCSOS reserves the right to change or modify any rule or regulation and the Official Program in the best interest of the Association. Exhibit Partners will be notified of any changes.
