MCSOS 2023

Mid-Central States
Orthopaedic Society, Inc.
69th Annual Meeting

August 3-4-5, 2023

Shangri-La Resort
Grand Lake O' the Cherokees
Oklahoma

@mcsos1954

About the Meeting:

Mid-Central States Orthopaedic Society, Inc. (MCSOS) hosts an orthopedic meeting each summer, highlighting geographic areas within the region. Meetings are a family-friendly half-day format with CME in the morning and free time in the afternoon. Located at the tip of Monkey Island on Grand Lake in Northeast Oklahoma, Shangri-La offers championship golf, tennis and pickleball courts, biking, and boat rentals. The hotel features indoor and outdoor dining, fine dining, a waterfront bar & grill, an indoor pool, medical spa and fitness center, playground, and a large pool with a splash pad and tanning ledges. MCSOS will be utilizing the turf wiffle ball field for a Thursday evening family tournament following the Welcome Dinner.

We invite you to join us in Oklahoma for a weekend of collaboration, learning, and networking while enjoying time at the lake with friends, family, and colleagues.

While online opportunities have expanded, personal relationships and interactions have lessened. At MCSOS, we appreciate the benefits of collegiality and connectedness within the health care profession and feel that our meeting is an excellent opportunity to build a relationship with Orthopedic Surgeons throughout the Midwest.

Shangri-La Resort boasts several prestigious golf courses, including an elite-level clubhouse housing the Golf Shop, the Buffalo Bar, and the Summit Restaurant. The golf club offers 27 holes of Championship Golf, including the Champions Nine, the Heritage Nine, and the Legends Nine. All facilities are available by land, water, and air. Grand Lake Regional Airport, with its 3,925-foot concrete runway, is adjacent to Shangri-La facilities. Club House shuttle service is also available from Shangri-La Marina, providing convenient access to all our facilities by boat.

About Mid-Central States Orthopaedic Society:

MCSOS is a nonprofit (503c6), membership society for orthopedic professionals including MDs, DOs, RNs, PAs, Nurse Practitioners and Retired Physicians. Mid-Central States Orthopaedic Society was founded in 1954 to provide sharing, discussion, and collaboration among orthopedic surgeons in an eight-state area – Arkansas, Colorado, Iowa, Kansas, Missouri, Nebraska, Oklahoma, Wyoming, and states adjacent thereto. The organization's primary mission is to host an Annual Meeting that brings members together to learn and collaborate on the latest surgical, diagnostic and treatment trends, technology, and techniques in order to better care for patients.
