# MCSOS 2024

Mid-Central States  
Orthopaedic Society, Inc.  
70<sup>th</sup> Annual Meeting

May 31-June 1, 2024

Chateau on the Lake  
Table Rock Lake  
Missouri

@mcsos1954

## **About the Meeting:**

Mid-Central States Orthopaedic Society, Inc. (MCSOS) hosts an orthopedic meeting each summer, highlighting geographic areas within the region. Meetings are a family-friendly half-day format with CME on Friday afternoon and Saturday morning, leaving plenty of time for seeing the sights. Located near Branson on Table Rock Lake in Western Missouri, Chateau on the Lake offers gorgeous views with spa services and access to the lake. Boat and Wave Runners are available for Rental.

We invite you to join us in Missouri for a weekend of collaboration, learning, and networking while enjoying time at the lake with friends, family, and colleagues. Please note the schedule changes in 2024.

While online opportunities have expanded, personal relationships and interactions have lessened. At MCSOS, we appreciate the benefits of collegiality and connectedness within the health care profession and feel that our meeting is an excellent opportunity to build a relationship with Orthopedic Surgeons throughout the Midwest.

Join us for a Welcome Luncheon for you and your family Friday 11 am – 12:30 pm. We will begin at 12:30 with the Member's Meeting, followed by the Scientific Program starting at 1 pm. Friday evening will showcase our Presidential dinner for you and your family. Stay tuned for information on the Fun Run Saturday morning, followed by Breakfast and more quality CME. During Saturday's meeting, Spouses are invited to join Katie Messamore (wife of VP Will Messamore) for Brunch. Sitters will be available at the outdoor playground. The meeting is scheduled to conclude with awards and recognition by 1:30 pm.

## **About Mid-Central States Orthopaedic Society:**

MCSOS is a nonprofit (503c6), membership society for orthopedic professionals including MDs, DOs, RNs, PAs, Nurse Practitioners and Retired Physicians. Mid-Central States Orthopaedic Society was founded in 1954 to provide sharing, discussion, and collaboration among orthopedic surgeons in an eight-state area – Arkansas, Colorado, Iowa, Kansas, Missouri, Nebraska, Oklahoma, Wyoming, and states adjacent thereto. The organization's primary mission is to host an Annual Meeting that brings members together to learn and collaborate on the latest surgical, diagnostic and treatment trends, technology, and techniques to better care for patients.

## Why Mid-Central States:

Mid-Central States Orthopaedic Society was created as a way for area surgeons to share, discuss, and collaborate with other orthopedic surgeons. The annual meeting provides an opportunity to connect & share quality educational updates on techniques, procedures, and diagnostics.

Our mission is the same today as it was in 1954. At MCSOS, we take pride in the relationships we make and keep each year. Education is geared toward both general orthopedists and physicians that have a specialty, but still want to learn about a variety of topics useful to his/her practice. This year, among other topics, area physicians will present updates on trauma,

hip/knee, shoulder, and foot/ankle. There will also be information on the use of ultrasound in the clinical setting and will finish with the ever popular "Pathology Unknowns".

This is our 70<sup>th</sup> Annual Meeting. The format remains the same but with different scheduling: half-day meetings on Friday and Saturday. We have kept this format to allow free time in the afternoons to connect with other members by choosing one of our social activities or spending time with your family while exploring the area. It's a great getaway for families following the school year and a chance for area Orthopedist to connect.

If you cannot join us this year but want to receive information on upcoming meetings, contact Christina at [mcsos1954@gmail.com](mailto:mcsos1954@gmail.com) or call/text (785) 643-8601 to be added to our mailing list. Follow MCSOS on Facebook, Instagram, and Twitter @mcsos1954 for more updates.

## Exhibitor Opportunities:

**MCSOS meetings provide a forum for meaningful interaction between Exhibitors and Attendees. All sponsors get an 8x8 booth and access to our physicians throughout the weekend. Breakfast and breaks are held in the Exhibitor Hall. Exhibitors are encouraged to join us at the Welcome Lunch and participate in any/all of the meals and social events. See the 2024 Prospectus and Sponsor Agreement for additional details. Sponsors must register by May 10, 2024. If after this date, please contact Christina to ensure inclusion in printed materials.**

Platinum (\$3200): Exhibitor booth space and logos will be placed based on the order of receiving both the completed sponsorship agreement and payment.

- Prime Exhibit Room Location, all breaks occur in the Exhibit Hall
- Many opportunities for interaction with our members throughout the weekend
- Large Recognition on Website Home Page, as well as recognition in the Conference Program Booklet and Welcome Packet
- 8.5" x 11" ad insert for Welcome Packet (must mail copies to MCSOS arriving prior to May 27, 2024).
